

# I'm Free

*Don't grieve for me, for now I'm free:  
I'm following that path God laid for me.  
I took His hand when I heard Him call;  
I turned my back and left it all.*

*I could not stay another day;  
To laugh, to love, to work or play.  
Tasks left undone must stay that way;  
I found that peace at the close of the day.*

*If my parting has left a void.  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss,  
And yes! these things, I too will miss.*

*Be not burdened with times of sorrow;  
I wish you the sunshine of tomorrow.  
My life's been full. I've savored much;  
Good friends, good times and  
a loved one's touch,*

*Perhaps my time seemed all too brief;  
Don't lengthen it now with undue grief;  
Lift up your heart and share with me;  
Don't grieve for me now, for now I'm free.
